The Hanmer Arms Hotel is within walking distance of one of North Shropshire's magnificent glacial lakes and right beside St. Chad's Church. The function rooms are licensed for Civil Ceremonies with one overlooking the Berwyn Mountains and can cater for up to 70 people. The other can cater for smaller weddings. If you prefer to book a Marquee we can offer you the use of the grounds.

The Hanmer Arms has always provided excellent cuisine and our General Manager and Head Chef will be happy to discuss menus with you and to create one specifically designed to your taste.

The bedrooms overlook the gardens and for the Bride and Groom we can offer the newly refurbished Loft Suite. This comprises of a kitchen, lounge, sumptuous double bedroom and en-suite bathroom.

A visit and personal discussion is recommended. Our staff are warm and friendly and our standards are high. We can offer help and guidance and can recommend a wide range of friendly professional wedding service providers whose job it is to make it your special day.
